FAQs

1. Can we bring our own food and drink?

Unfortunately we do not allow outside catering, except for a celebration cake. For your catering needs, please speak to a member of our team who can help you further.

2. Can we play our own music/use the projector?

Yes. We have an AUX/HDMI connection available for you to use. Please make sure any songs are downloaded to the device that you wish to play from. You are more than welcome to arrange a date/time to come in and check the connections. Please speak to a member of the team who can help you arrange this. Please note : as we are in a residential area, there is a limiter on the sound system.

3. Can we have our own band/DJ?

You are more than welcome to have an acoustic band, however due to the open plan scheme of the pub, we do not allow other amplified music.

4. Can we decorate the venue?

Yes, we want you to make the space your own, but we do ask that you use only easily removable fixings. Please also remember to take all your decorations with you at the end of your event, as anything left will be disposed of. You can arrange a time to come in before hand to decorate if required.
